

June 2010

Dear CIWITL (Central Indiana Women's Indoor Tennis League) Player,

The 2009-2010 CIWITL season ended with 1 championship banner for Carmel Racquet Club. Mark's "A" team finished first in the division, giving them 12 first place titles! Congratulations! In the "B" Division, Greg's team finished a close second place, losing to ITC in the finals. In the "C" Division, Kathy's team finished 3<sup>rd</sup> and Mark's team finished 4<sup>th</sup>. Once again, Carmel Racquet Club was well represented in the top 3 spots across the board. Great job!

We are now in the process of forming teams for the 2010-11 season. **Note some teams have changed levels, pros and practice times.** Please return your registration form to CRC by **July 9th**. The pros will form the teams and contact their players before July 26th. Players will be added after that date **but** most of the more popular teams and practice times will not be available.

Match play for the upcoming season will once again consist of 12 women per team playing doubles matches approximately once a month against other indoor clubs in the Central Indiana area. We assume matches will still be \$14 per person with lunches provided by the home team. This will be confirmed at the pre-season league meeting.

Teams are formed by the following NTRP ratings:

|          |           |          |           |          |           |
|----------|-----------|----------|-----------|----------|-----------|
| "A" team | 4.1 - 4.5 | "B" team | 3.6 - 4.0 | "C" team | 3.1 - 3.5 |
| "Q" team | 2.6 - 3.0 | "X" team | 2.5 - 2.  |          |           |

**Greg Griffey is the CIWITL director for Carmel Racquet Club.**

The same basic format as in past seasons will continue to be followed:

1. Each team has a regularly scheduled practice for 1 1/2 hours per week. Costs of practices vary according to number of practices. Practice times and costs are listed on the other side of this page. **Players playing on two teams must pay for both practices.**
2. We will try to accommodate all requests for teams BUT some teams and practice times are more popular than others. We guarantee all players a spot on a team they are rated for **but cannot guarantee a specific team and practice time.** Players that maintained at least a 50% winning percentage will have preference for the same team this season.
3. Due to the increasing size of the league, matches could be scheduled on Wednesdays, Thursdays or Fridays.
