

CIWITL

Dear CIWITL (Central Indiana Women's Indoor Tennis League) Player,

The 2019-2020 CIWITL season was one for the record books. With Covid-19 shortening the season by about 25%, we ended the matches on March 17th. We had no clear winners but did have a number of our teams in position to take the banner. Hopefully, the coming season will have all the Clubs getting back to a more normal schedule so we can have some fun competition in Central Indiana.

We are now in the process of forming teams for the 2020-21 season. Please return your registration form to CRC by **July 27th**. The pros will form the teams and contact their players before **August 3rd**. Players will be added after that date **but** most of the more popular teams and practice times will not be available. Some of the more established teams will have little or no room to add players. **You should consider checking with the pro before registering to be on their team.**

Match play for the upcoming season will once again consist of 12 women per team playing doubles matches approximately once a month against other indoor clubs in the Central Indiana area. Matches will cost the same as last season which was \$16 per person. ***Because of Covid-19, there will be no lunches provided by the home team this season.***

Teams are formed by the following NTRP ratings:

"A" team	9.0 combined	"B" team	3.6 - 4.0	"C" team	3.1 - 3.5
"Q" team	2.6 - 3.0	"X" team	2.0 - 2.5		

Greg Griffey is the CIWITL director for Carmel Racquet Club.

The same basic format as in past seasons will continue to be followed:

1. Each team has a regularly scheduled practice for 1 1/2 hours per week. Costs of practices vary according to the number of practices. Practice times and costs are listed on the other side of this page. **Players playing on two teams must pay for both practices.**
2. We will try to accommodate all requests for teams **BUT** some teams and practice times are more popular than others. We guarantee all players a spot on a team they are rated for **but cannot guarantee a specific team and practice time.** Players that maintained at least a 50% winning percentage will have preference for the same team this season.
3. Due to the increasing size of the league, matches will primarily be scheduled on Thursdays and Fridays but some may need to be played on Wednesdays. Most Carmel and Indianapolis matches are from 11:00-2:00 pm. Matches played in Bloomington are scheduled from 10:00-1:00 pm. Lafayette matches are scheduled from 9:45 to 12:45 pm.
